## Stay connected

Dr. Synthia Taylor, Moderator

One could argue that we are more connected than ever before but to what? The information area has demanded our connectivity online to do our work, our errands, maintain relationships, connect and talk. For many people face to face is a thing of the past and most needs and tasks can be conducted through... "everything".

However, our Creator God provides HIS believers with a powerful tool to stay connected to HIM. It's called PRAYER.

- You don't need to study it to do it, simply **knock** at the door of the Lord
- You don't need to be "churchy" in your approach, simply **seek** to BE with the Lord, no church required
- You don't need to do anything except open your heart and speak, **ask** the desires of your heart and know that the promises of God are YES and AMEN.

### Luke 11: 9-10 (NIV)

"So I say to you: **Ask** and it will be given to you; **seek** and you will find; **knock** and the door will be opened to you. For everyone who asks receives; the one who seeks finds; and to the one who knocks, the door will be opened.

Mission Mazahua is a Christian non-profit that was established in 1975 by Norberto and Lisa Cortes to help the Mazahua people of Mexico. Since then, the organization has helped with their employment, medical, educational, financial and spiritual needs.
